

GLO'  
DESIGN DANILO DE ROSSI

**DESCRIPTION:** Hand blown in the old tradition of Murano glass, GLO' is a piece of art as well as a lighting element. Either low voltage or line voltage illuminates the large scale glass, available in 2 sizes and 4 glass finishes. A free form, petal-like glass plate is also provided to place under the form to complete the effect of a large drop of water.

**CONSTRUCTION:** An insulated ceiling (I.C.) recessed housing or surface mounted canopy are available to suspend the glass element. A separate specification sheet is available for the recessed housing.

**LIGHT SOURCE:** Recessed: 1 x 35 watt, MR-16, 12V Halogen (provided)  
Ceiling: 1 x 50 watt, GU10, 120V Twistline (not provided)

**FINISH:** Polished Chrome

**GLASS COLOR:** Smoked/Crystal, Pale Blue, Red, and Cobalt Blue

**NET WEIGHT:** 28 lbs.
