

SPHERA PP20-PL29-PL37

DESIGN MATTEO THUN

DESCRIPTION: A slightly flattened oval highlights this simple blown glass design that floats off the ceiling and provides diffused illumination from an incandescent light source. All are flush ceiling mounts. The Sphera PP20 is a flush ceiling mount and can be wall mounted also. Companion table, wall, floor, and pendant designs also available.

CONSTRUCTION: The glass diffuser cleanly attaches to a standard 4" octagonal junction box and is completely enclosed. Metal detail can be seen only from the top of the sphere which secures the glass at the ceiling/wall line.
