

LOOP P wall

Design R.Toso -N.Massari & Associates

LOOP P SX (Left)

LOOP P DX (Right)

- DESCRIPTION:** An artfully abstract wall sconce that provides up and downlight from its tiered and offset, blown-glass diffuser. Available in incandescent and fluorescent light sources, there are left and right facing versions available. Companion ceiling and pendant designs also available.
- CONSTRUCTION:** A white metal backplate secures the glass diffuser to a standard 4" octagonal junction box. Open at top and bottom, the Loop sconce is available with both incandescent and fluorescent lamp options.
- LIGHT SOURCE:** 1 x 100 Watt, Incandescent (Provided)
2 x 18 Watt PL, Fluorescent (Not provided)
- FINISH:** Gloss White
- GLASS COLOR:** Gloss White
- NET WEIGHT:** 10 lbs.
