

TWIN
Design JORGE PENSI

DESCRIPTION: Striking wall sconce featuring two satin white glass diffusers aside a metal frame appearing to float on the wall. An impressive light pattern appears on the wall surface from the incandescent light source.

CONSTRUCTION: A simple frame finished in brushed nickel mounts to a standard 4" octagonal junction box and the two glass diffusers open at top and bottom, are attached to it.

LIGHT SOURCE: 2 x 100 watt, incandescent, A-19, (Provided)
2 x 18 watt, fluorescent, G24 q2 quad, (Not Provided)

GLASS COLOR: Satin White

NET WEIGHT: 6 lbs.
