

## Regulus terra

Design Giancarlo Fassina, Carlo Forcolini

# Regulus

44

### Emissione e applicazioni

Luce diffusa, illuminazione indiretta.

### Materiali

Corpo in alluminio, diffusore in metacrilato.

### Finiture e colori

Corpo spazzolato, diffusore bianco opale con settori trasparenti, base color titanio.

### Dimmer

Intensità luminosa regolabile con dimmer a piede.

### Distribution and applications

Diffused light for indirect lighting.

### Materials

Body in aluminium, diffuser in metacrylate.

### Finishes and colours

Polished body, diffuser opal white with transparent sections.

### Dimmer

Light intensity adjustable with a foot dimmer.

### Diffusion et applications

Lumière diffuse, éclairage indirect.

### Matériaux

Corps en aluminium, diffuseur en métacrylate.

### Finition et couleurs

Corps poli, diffuseur blanc opalin avec secteurs transparents.

### Dimmer

Intensité lumineuse réglable avec dimmer à pied.

### Ausstrahlung und Anwendungen

Diffuse Ausstrahlung, indirekte Beleuchtung.

### Materialien

Struktur aus Aluminium, Diffusor aus Metakrylat.

### Ausführungen und Farben

Struktur poliert, Diffusor opalweiß mit transparenten Streifen. Fuß titanium farben lackiert.

### Dimmer

Lichtregulierung durch Fußdimmer.

### Emisión y aplicaciones

Luz difusa, iluminación indirecta.

### Materiales

Cuerpo en aluminio, difusor en metacrilato.

### Acabado y colores

Cuerpo pulido, difusor blanco opal con sectores transparentes, base color titanio.

### Regulador

Intensidad luminica regulable con dimmer de pie.

Regulus terra

### RED F8W 21 dimmable

80W, G5, T16 (FH-HO), linear fluorescent (electronic)

### RED F5W 21 dimmable

54W, G5, T16 (FH-HO), linear fluorescent (electronic)
